How to Use the Digital Library

The LAS Links Online digital library is a vast collection of brochures, overview documents, informational sheets, and various training videos.

To access each of these items simply click on the description and you will be linked directly to each file in the library.

Online Reporting System
The Online Reporting System is a powerful Web-based reporting solution that provides you with immediate access to student test data. With a few clicks of the mouse can quickly and easily retrieve assessment data, create customized reports, aggregate and disaggregate data, and provide complete student assessment profiles.
