

## **HOMESCHOOL REPORT 2016-2024**

Mississippi Department of Education Office of Compulsory School Attendance Enforcement and Dropout Prevention provides a School Attendance Officer locally throughout the counties in the state of Mississippi. The School Attendance Officer is tasked with the enrollment of any students that will homeschool for the school year. The homeschool student's parent or guardian completes the Certificate of Enrollment provided through the local office for Compulsory School Attendance Enforcement. The homeschool parent or guardian self-reports their homeschool enrollment information. The information provided for this report is gathered through School Attendance Officers at the local school district level. Information that is provided to the School Attendance Officer is for the sole purpose of ensuring families are in compliance with the Compulsory School Attendance Law (§37-13-91). All data is collected by the Regional Supervisors. A copy of the Compulsory School Attendance Law and the Certificate of Enrollment Form for homeschool are included with this report.
