05. Discussion of the Results from the Mississippi College and Career Ready Standards Feedback Forum [Goals 1 and 2 – MDE Strategic Plan]

In keeping with the Board's expressed intent to provide an opportunity for the public to offer ways to build upon the Mississippi College and Career Ready Standards, the MDE launched a three-month online public comment website. From June 15 through September 15, 2015, the MDE sought public input on the state's English Language Arts and Mathematics standards through the Mississippi College and Career Ready Standards (MCCRS) Feedback Forum.

The MCCRS Feedback Forum had two primary goals:

- 1) To increase awareness and understanding of the Mississippi College and Career Ready Standards for English Language Arts and Mathematics
- 2) To receive actionable feedback on the standards as part of the MDE's periodic review process of academic standards

This report will provide an overview of the results from the Feedback Form as well as next steps for establishing a review committee of teachers, administrators, higher education representatives and parents that will make recommendations for any changes to the standards.

This item references Goals 1 and 2 of the *Mississippi Board of Education 2016-2020 Strategic Plan*.
