The purpose of the Accountability Task Force is to 1) review standards for school and district accountability and make the processes more accurate (not lower or easier to attain), 2) make adjustments required by changes to state or federal expectations (including the recommendations of 2013-14 Accountability Results Audit), 3) add clarifications noted during the 2013-14 implementation of the model, and 4) review recommendations of stakeholders for adjustments and consider revisions, as needed.
