05.F Action: Contract with Applied Engineering Management (AEM) Corporation to develop domain analysis and recommendation report for the implementation of the new MSIS [Goal 5 – MBE Strategic Plan]

Awarded Vendor: Applied Engineering Management (AEM) Corporation  
Herndon, Virginia

Scope of Project: MDE identified 15 domains that will be prioritized for the development and implementation of the new MSIS. Recognizing the importance and value to Mississippi stakeholders and students and to the national efforts to improve education for all students, MDE seeks to ensure these domains align to and inform the national education data standards efforts.

The purpose of this contract is to provide project management oversight and analysis for Common Education Data Standards (CEDS) domain implementation, to include Digital Learning and Equity, Assessment, Career and Technical, Credentials, Early Learning, Facilities, Scheduling, Discipline, Personnel, Student, Special Education, Federal Programs, K12 general, Organization, and Learning Resources.

Scope of Contract:

- Term of Contract: February 18, 2022 – September 30, 2024
- Amount to be Awarded: \$379,063.72
- Method of Award: Emergency Procurement  
(COVID 19 – ESSER ARP)

Funding Source: Federal Funds

This item references Goal 5 of the *Mississippi Board of Education 2018-2022 Strategic Plan*.

Recommendation: Approval

Back-up material: None
