M Approval of methodology to reallocate Title IV, Part A to local educational agencies in accordance with Elementary and Secondary Education Act, as reauthorized in the Every Student Succeeds Act

Background and Purpose: The Title IV, Part A program is funded under the Every Student Succeeds Act (ESSA), which provides financial assistance through the Mississippi Department of Education (MDE) to local education agencies (LEAs) and public schools to improve students' academic achievement by increasing the capacity of States, local educational agencies, schools, and local communities to provide all students with access to a well-rounded education, improve school conditions for student learning, and improve the use of technology in order to improve the academic achievement and digital literacy of all students. In accordance with Section 1126(c) of the Elementary and Secondary Education Act of 1965 (ESEA), as reauthorized by the ESSA, the MDE shall reallocate excess Title IV, Part A funds to LEAs in the state that demonstrate need for additional funds based on the guidelines established below:

Eligibility: An LEA must meet all of the following criteria to be eligible to receive reallocated Title IV, Part A funds:

- Expended 85 percent of Title IV, Part A funds from the prior program year;
- Maintained its fiscal effort in accordance with Section 9521 of the ESEA, as reauthorized by ESSA.

Funding Source: Title IV, Part A funds eligible for reallocation are:

- Funds allocated to an eligible LEA that has chosen not to participate in the Title IV, Part A program;
- Funds returned by an LEA because of its failure to meet federal maintenance of effort requirements and,
- Excess funds for other reasons.

Basis for Awarding the Grants: Formula

Funds will be awarded based on the following methodology:

I. Base Allocation:

Reallocation Based on Need and Prioritization:

An analysis of the following indicators will determine greatest need:

- Percentage of children aged 5 to 17, inclusive, from families below the poverty-level based on the most recent data;
- Number of schools in the LEA that are in Title I School Improvement based on the most recent data.

LEAs will be prioritized using point values that will be assigned for each of the above criteria.

Percentage of Children below the Poverty Level:

50% - 100% = 5 points

25% - 49% = 3 points

Below 25% = 0 points

Number of Schools in Title I School Improvement:

Each LEA will receive one (1) point for each school that is in improvement.

LEAs Composite Points = Points for Percentage of Children below Poverty Level  
+ Total points for Number of Schools in Title I School Improvement

Eligible LEAs Composite Points will be ranked in descending order and available funds awarded to LEAs based on a Per Pupil Allocation Formula.

NOTE: An LEA totaling below one (1) point will not receive any reallocated funds.

Formula:

Per Pupil Calculation:

Per Pupil Allocation =  $\frac{\text{Title IV, Part A Funds Available for Reallocation}}{\text{Total Number of Formula Children for Eligible LEAs}}$

LEA Allocation Amount = Per Pupil Allocation x Total Formula Children
