

*Rule 38.2 Behavior Modifications Programs.* Miss. Code Ann. § 37-13-92 requires the State Board of Education to establish the definition and components of a behavior modification program.

1. Definition:

Policies, procedures and research-based strategies that teach students the skills needed to make positive decisions concerning behavior and learning.

2. Components:

The program will contain procedures and research-based strategies that:

- a. Include a (proactive) prevention component for all students;
- b. Include interventions designed to deal with common disciplinary problems;
- c. Provide an intensive intervention program for low-incidence behavior problems;
- d. Provide professional development for all team members and parents;
- e. Provide a safe and disciplined environment where teaching and learning can take place; and
- f. Permit implementation of the School Safety Plan.
