

Chapter 83: Vocational Achievement (Career and Technical Education)

Rule 83.3 Mississippi Practical Nursing Programs. The document entitled *Mississippi Board of Nursing Rules and Regulations* describes the regulations under which training programs for licensed practical nurses shall operate and by which they will be evaluated. This document shall be reviewed on a regular basis and, as revisions are needed, staff shall recommend those changes to the State Board for Community and Junior Colleges. An up-to-date copy of this document shall be kept on file in the State Department of Education.
