

Dictionary Definition:
(for EL students, teacher may choose to give this or work as a class to create this rather than have them look the words up)

MY definition: (my language)
(allow students to use English or their native language)

Sentence Frame or Drawing:
(teacher selects a sentence started and student completes to demonstrate understanding)

Word Parts: (or cognate in my own language)
(if applicable, seeing cognates in their own language will enhance learning; teacher may decide to do this portion in a small group or whole class to teach word parts as needed)
