

Mississippi Academic Assessment Program (MAAP) Scratch Paper Policy

General

- Schools must provide scratch paper for students.
 - Scratch paper should be handed out as needed, not in stacks. **There is no minimum or maximum amount of scratch paper per student.**
 - Scratch paper must be returned to the STC/DTC along with any other testing materials.
 - Scratch paper must be stored by the STC for students with Accommodation 25 until the completion of their assessment.
 - Districts must shred scratch paper upon completion of the the test.
- All scratch paper, including graph paper on the Mathematics and
- Science assessments, must be shredded at the district level.
 - The DTC must complete and upload the *Test Security Certification Form* from SharePoint within **5 days** of the end of the testing window acknowledging that the scratch paper has been shredded.
