VI. MDE Updates

Dr. Debra Burson presented the MDE updated. Dr. Burson informed the Commission on the following:

- The Office of Teaching and Leading is working on a Teacher Initiative called "Teacher Leadership," in conjunction with a grant from Chiefs for Change. There will be eight districts that will be piloting the program starting June 19, 2018 at Table 100 in Flowood, MS.
- The Office of Teaching and Leading has a mentoring and induction initiative that is currently in the works in conjunction with the American Institute of Research and the Southeast Collaborative Center.
- The Office of Teaching and Leading worked with Council of Chief State School Officers (CCSSO) on the learner ready teacher standards and diverse learner ready. The intention is to increase the number teachers in Mississippi.
- Additionally, there have been some recent position postings for the Office of Teaching and Leading:
 - Office of Teacher Effectiveness with its work involving the Professional Growth Systems
 - Talent Acquisition: The candidate who can serve in the capacity that can lead the work in recruitment.
- Dr. Burson reminded everyone about the Elevate Teacher Summit that will take place on July 23-24, 2018, in Vicksburg, MS. It will be an opportunity for teachers to come around the state to convene together and obtain professional development from within the Mississippi Department of Education. The event is free and educators will obtain 1.0 Continuing Education Units (CEU) credits for attending a day and a half event.
- The Education Preparation Program Review Process Guidelines is currently being revised by the Division of Educator Preparation Program.
- Division of Educator Preparation Program has piloted site visits during the spring with Mississippi College, Belhaven College, and Teach for America. The Mississippi Alternate Path for Quality Teacher will be the next program for a site review on Monday, May 7, 2018.
 - The Annual Reporting Period was in April for Education Preparation Programs. The date of reporting period changed to align with the Council for the Accreditation of Educator Preparation (CAEP) and Title II reporting period to have more accurate date on teachers that are prepared and where they are going. The Education Administration program section was added to the Annual Report to align with statute Miss. Ann. Code § 37-21-09.
 - The MDE reinstated the first-year teacher survey for first year teachers and administrators requesting their feedback on their programs.
 - The Division of Educator Preparation is working with CAEP to get statewide training for the Mississippi institutions as the private institutions transition into the CAEP process.
 - The MDE Division of Educator Preparation instituted a leadership

taskforce in reference to the new PSEL/NELP standards and new SLLA test. The taskforce will assist in ensuring the alignment of the new standards and working with the goal of having all the modified educational leadership program proposals submitted to the Commission at one time for implementation in fall 2019.

VII. Mississippi Association of Colleges of Teacher Education (MACTE) Updates

Dr. Cindy Melton provided the MACTE updates:

- The institutions have completed the Title II reports, annual reports, and CAEP visit that are due for the semester.
- MACTE is excited about the partnership that has been created by the Mississippi Department of Education to be part of the Teacher Summit event that will take place on July 23-24, 2018. MACTE will be there to recognize their teachers, teacher interns, and personnel at the event.

VIII. Discussion and/or approval to revise the Alternative Qualifications for Prospective Local Superintendents of Education

Dr. Cory Murphy presented the proposal to revise the alternative qualifications for prospective local superintendents of education. The revision to the policy consists of changing the current title from “Non-Education Prospective District Superintendents of Education” to “Prospective District Superintendents of Education” for clarity.

The modification is being made for clarification so that the qualifications should be interpreted to include not only individuals new to the profession but also candidates who might have once served as an educator, changed professions, and now wish to return to service at the local district level.

On a motion by Etta Taplin, seconded by Debra Mays-Jackson, the Commission unanimously approved to revise the Alternate Qualifications for Prospective Local Superintendents of Education.

X. Discussion and/or approval of Blue Mountain College to add a Bachelor of Music Education with a focus on Instrumental Music and increase the required number of hours from 132-141 to 144 hours

Dr. Debra Burson explained there were eleven education preparation program proposals to be presented before the Commission that been reviewed by the Division of Education Preparation Program and peer institutions. The eleven program proposals presented have met the requirements based on the education preparation program guidelines.

Dr. Debra Burson noted that a correction was made to the agenda and that the binders reflecting the proposal by Blue Mountain College, which is to request for a Bachelor of Music Education increase in the number of hours from 132-141 to 144. The proposed Bachelor of Music Education program would prepare band directors and will have 144 hours due to the need for students to become proficient in all band instruments.

Professor Brandon Hardin was available to answer any questions and to talk about the program proposal to the Commission. Professor Hardin stated that previously there was no music instrumental program for Blue Mountain College. Blue Mountain College voiced emphasis in the past for piano and that there was no program at Blue Mountain College for individuals to be become a band director. As a result, Professor Hardin developed the Bachelor of Music Education degree, which is the standard for band director and are looking to become nationally accredited. The previous degree was a Bachelor of Science; therefore, the request is for a new degree.

On a motion by Susan McClelland, seconded by Debra Mays-Jackson, the Commission unanimously approved Blue Mountain College to add a Bachelor of Music Education increase in the number of hours from 132-141 to 144.

- XI. Discussion and/or approval of Delta State University to increase the number of credit hours in Directed Teaching Internship (CEL 496) from 9 hours to 12 hours; remove a three-hour concentration elective from the program to be used for the additional three hours of internship; and remove First Aid and CPR (HSE 144) from the program**

Dr. Burson introduced Dr. Tim Watkins from Delta State University who was available to answer any questions to Delta State University's proposal to increase the number of credit hours in Directed Teaching Internship (CEL 496) from nine hours to 12 hours. In addition, Delta State University is requesting to remove a three-hour concentration elective from the program to be used for the additional three hours of internship; and, remove First Aid and CPR (HSE 144) from the program.

Dr. Watkins stated that the institution has a 9- hour directed teaching internship and wishes to increase it to 12 hours. Delta State University want their students to take three semester hours during the first part of their senior year and the nine hours will be during the second part of the semester during the senior since the institution is relieving one of their concentrations. The institution is requesting to delete a three-hour concentration from their program since they already have two programs (social studies and reading).

On a motion by Pamela Manners, seconded by Debra Mays-Jackson, the Commission unanimously approved Delta State University to increase the number of credit hours in Directed Teaching Internship (CEL 496) from 9 hours to 12 hours; remove a three-hour concentration elective from the program to be used for the additional three hours of internship; and remove First Aid and CPR (HSE 144) from the program.

- XII. Discussion and/or approval of Delta State University to make modifications to the M.Ed. and Ed.S. program in Educational Administration and Supervision. The changes to be made are: (1) to reduce the number of required credit hours in the Master of Education and Ed.S. degrees in Educational Administration and Supervision from 39 to 33; (2) to change the internship requirement for the degrees; and (3) to make adjustments to the admissions requirements to more clearly differentiate between requirements for those candidates seeking initial administrator licensure and who already hold the Mississippi 486 administrator Educator License**

Dr. Sue Jolly discussed that Delta State University has a 39-hour degree program in the master and they want to reduce the number of credit hours in the Master of Education and Education Specialist degrees in Educational Administration and Supervision from 39 hours to 33 hours. This request allows the institution to make adjustment to the internship hours for the degrees and the admission hours to clearly differentiate for those who are seeking initial an administrative license.

Dr. Burson mentioned to the Commission that the standards have changed for administration to the Professional Standards of Educational Leaders (PSEL) standards. There will be programs submitting their proposals in the future to align with the changes.

On a motion by Kenny Goza, seconded by Pamela Manners, the Commission unanimously approved for Delta State University to increase the number of credit hours in Directed Teaching Internship (CEL 496) from 9 hours to 12 hours; remove a three-hour concentration elective from the program to be used for the additional three hours of internship; and remove First Aid and CPR (HSE 144) from the program.

- XIII. Discussion and/or approval of Jackson State University to modify its existing Master of Science in Special Education program to include a concentration in Visual Impairments (VI). The course requirements for the degree will be 39 hours, with 27 being specialized VI courses. Also proposed is the removal and replacement of one course in the 218 K12 endorsement currently being used. It is proposed to align course requirements with the new VI concentration**

Deborah Mays-Jackson recused herself from the discussion and approval of Jackson State University's request for modification of their program.

Dr. Glenda Windfield, Assistant Professor in the Department of Special Education, stated that Jackson State University received a grant from the United State of Education, Office of Special Education Program in the amount of \$1,250,000. Initially, when Jackson State University submitted their proposal, it was to reinstitute training teachers to work with visually impaired students. Also. it was to reinstate their endorsement program for licensure. However, Jackson State University created a master's degree program in Special Education with a visual impairment concentration.

On a motion by Etta Taplin, seconded by Kenny Goza, the Commission voted unanimously to approve Jackson state University, Assistant Professor in the Department of Special Education.

XVIII. Discussion and/or approval of University of Southern Mississippi to modify the BA in

History with Social Studies Licensure degree path to reduce the total required hours for the degree from 133 to 122 hours to adhere to the IHL mandate that undergraduate degree plans not exceed 124 credit hours

Dr. Jill Abney spoke on behalf of the University of Southern Mississippi's modification request. The request is a revision to reduce the required hours from 133 to 122 hours for the Social Studies licensure degree path for social studies teachers. This will reduce the length of the program for students and improve student retention.

Dr. Burson added that it is also the Institution of Higher Learning's requirement that undergraduate degree programs should not exceed the 124.

On a motion Etta Taplin, seconded by Corey Welch, the Commission voted unanimously to approve University of Southern Mississippi to modify the BA in History with Social Studies Licensure degree path to reduce the total required hours for the degree from 133 to 122 hours to adhere to the IHL mandate that undergraduate degree plans not exceed 124 credit hours.
