Guiding Questions

How can we leverage the partnership with EGC to:

- Strengthen High School Implementation of Evidence-based Practices aligned to the 4-drivers?
- What are our needs & how do we know?

Landscape Analysis Template

- Provides space to reflect on your campus capacity to **lead and sustain** implementation of the vision described in your High School Redesign Blueprint Narrative
- Divided into the four redesign levers
- Serves as launching position to reflect on the capacity and current state of the school community incorporating any impacts from the current shifts due to COVID – 19
- Used to help identify areas of opportunity potential needed shifts

Please respond to the following questions for each of the levers below:

- What are one or two existing visions/goals for this lever outlined in the Blueprint Narrative?
- Based on the recommendations, student and community input what is the gist of what needs to happen in this area?
- How has the remote learning landscape influenced your implementation of plans for this fall? What has it left you wondering?
