

Quizizz ▶ <https://quizizz.com/>

Quizizz is a digital resource that allows teachers to create and facilitate interactive lessons and quizzes. It can be used both asynchronously and synchronously.

CLASSROOM CONNECTIONS

[4Cs: Collaboration, Communication, Creativity, Critical Thinking]

Quizizz can be used to host a Live Quiz or assign student-paced lessons. It is designed to promote student engagement through interactive lessons and gamified activities. Quizizz provides teachers with a platform of various questioning strategies that allows them to create lessons and quizzes that promote critical thinking.

Collaboration Quizizz can be used as a gamified resource where students can compete in teams to answer questions.

Critical Thinking Quizizz allows teachers to create questions that require students to dive deeper into the learning process. It consists of ready-made lessons and quizzes with various types of questions that support critical thinking.

TRY IT

1. To promote critical thinking, select a topic from the library that incorporates various question types from any subject and assign a Live Quiz.
2. Use Quizizz as a collaborative activity by assigning students to teams during the Live Quiz.
