* High Schools and Districts that participated in the Excellence for All Grant Program did not participate in state assessments during the 2013-2014 school year.

N/A = (Not Applicable) The indicator was not a required measurement for that school/district.

- Charter schools are reported as both a school and a district.
- For schools that do not test science, the composite score is equated to the 700 point scale.
- All components are reported as a percentage and are unweighted.
- Schools and districts are assigned the higher of the two grades calculated under the 2016 (former) baseline or the 2017 (new) baseline.
- Corinth School District is a District of Innovation, and is therefore excluded from this report.
