- B. Revise the methodology of the 21st Century Community Learning Centers Grant, in accordance with Title IV, Part B of the Elementary and Secondary Education Act (ESEA), as reauthorized by the *Every Student Succeeds Act (ESSA)*

Purpose: The purpose of the 21st Century Community Learning Centers (CCLC) Program is to create community learning centers that provide academic enrichment opportunities for children in high-poverty and low-performing schools. Activities are designed to assist students in meeting standards in academic subjects, to offer students a broad array of enrichment activities to complement their regular academic programs, and to offer literacy and other educational services to the families of participating children. Funding for the 21st CCLC is contingent upon availability and notification of congressional appropriations.

The 21st Century Community Learning Centers (CCLC) grant awards will be funded for three years if funding criteria and academic criteria for grants are met.

Eligibility: Any local educational agency (LEA), community-based organization, Indian tribe or tribal organization, public or private entity, or a consortium of two (2) or more such agencies, organizations, or entities is eligible to apply.

Exception: The applicant has previously been cited with major and/or significant deficiencies by the MDE in one or more programs or included on the Federal Government debarment listing.

Funding Source: Title IV, Part B of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA)

Basis for Awarding the Grants: Competitive
Funds will be awarded based on the following methodology:

Grant Award Funding Criteria for Grants:

- Year 1 – 100% funding from MDE
- Year 2 – 100% funding from MDE
- Year 3 – 80% funding from MDE

Grant Award Criteria for Grants:

- Approved Request for Proposal (RFP) and/or Continuation Application
- Evaluation and Monitoring
- Successful completion of Year-end 21st CCLC Performance Report
- Sufficient gains in participating student academic achievement
- Verification of 21st CCLC program sustainability

Effective Date: The new methodology will be implemented beginning with the 2017-2018 school year for current and future grantees.
