Background Information: The State Board of Education designates critical shortage subject areas and critical shortage geographical areas (Mississippi School Districts) annually for the purpose of enabling participants to receive loan forgiveness or complete required service obligations in designated shortage areas.

Particularly, at minimum, the designations enable participants to qualify for deferment of loan repayments under the Federal Stafford Program, qualify for loan cancellation under the Federal Perkins Loan, meet obligations under the Paul C. Douglas Teacher Scholarship Program, and fulfill their teaching obligation under the TEACH Grant Program.

Recommendation: Approval
