OFFICE OF TEACHING AND LEADING

- E. Approval to revise two (2) Career Pathway licensure options, 972 Culinary Arts; 962 Sports Medicine; establish two (2) new Career Pathways in the endorsement areas of Fire Science, Business, Marketing, and Finance; and establish one (1) new endorsement in the area of Computer Science

Background Information: On Friday, January 10, 2020, the Commission on Teacher and Administrator Education, Certification and Licensure and Development (Licensure Commission) met in its regularly scheduled meeting and approved the recommendations received from the Office of Secondary Education to approve proposed revisions to two (2) Career and Technical Education (CTE) Career Pathway educator licensure endorsement areas to become effective after final State Board of Education approval and to establish four (4) new CTE endorsements to become effective academic year 2020 – 2021. The proposed criteria for obtaining licensure in the following Career Pathway endorsement areas are outlined as follows:

A. Endorsement 972 Career Pathway: Culinary Arts

The Office of Secondary Education is requesting approval to change the related assessment requirement. Currently, we require three weeks of summer training and ServSafe certification. The proposal is to require forty-eight hours of summer training and increase the certification to Manager and Instructor levels. Also, we would like to exempt educators with a bachelor's degree or higher in Culinary from the summer training.

B. Endorsement 962 Career Pathway: Sports Medicine

The Office of Secondary Education is requesting approval to add an additional degree area to the Educational requirement. Currently, there are two degrees used to determine an educator's eligibility to obtain the endorsement.

C. Endorsement (TBD) Career Pathway: Fire Science

The Office of Secondary Education is requesting approval to establish the new Career Pathway to become available Academic Year 2020 – 2021. The curriculum and courses for this program of study are under development. Proposed licensure requirements have been aligned in accordance with standard CTE program of study criteria.

D. Endorsement (TBD) Career Pathway: Business, Marketing, and Finance

The Office of Secondary Education is requesting approval to establish the new Career Pathway to become available Academic Year 2020 – 2021. The curriculum and courses for this program of study are under development. Proposed licensure requirements have been aligned in accordance with standard CTE program of study criteria.

E. Endorsement (TBD) Computer Science

The Office of Secondary Education is requesting approval to establish the new endorsement to become available Academic Year 2020 – 2021. The curriculum and courses for this program of study are under development. Proposed licensure requirements have been aligned in accordance with standard CTE program of study criteria.
