

Rule 76.5 Moving Expense. In accordance with Mississippi Code Section 37-159-5, the Department of Education will reimburse the moving expenses for teachers who enter into a contract with a school district within a geographical area of the state that is designated by the Mississippi Board of Education as having a critical shortage of teachers. The moving expenses will only be reimbursed if the employing school district is greater than or equal to a thirty mile radius and must be within the boundaries of the State of Mississippi. It is not required that the actual residence to which the teacher relocates be within the boundaries of the school district which has executed a contract for employment. To be eligible for the reimbursement, the teacher must apply to the school district and the school district must obtain prior approval for reimbursement from the Department of Education before the relocation occurs. The school superintendent must request prior approval by completing and submitting the form Request of Prior Approval from the Department of Education. The Department of Education will timely notify the school superintendent of its action on the request. Upon approval, the Department of Education will provide funds to the school district to reimburse the teacher an amount not to exceed \$1,000 for documented actual expenses incurred for relocation. The school superintendent should request reimbursement by completing and submitting the form Reimbursement for Moving Expenses. Upon receipt of the funds, the school superintendent should reimburse the teacher accordingly.

Eligible moving expenses consist of:

1. Professional moving companies (documented by actual invoice which indicates a zero balance or paid in full.)
2. Persons employed to assist with the move (documented by original receipts or canceled checks (front & back) or notarized statement signed by both the person employed to assist with the move and the individual moving.)
3. Rented moving vehicles or equipment (documented by actual invoice which indicates a zero balance or paid in full.)
4. Mileage in the amount authorized for state employees under Section 25-3-41, Mississippi Code of 1972 (Ann.), if the teacher uses his/her personal vehicle or vehicles for the move, limited to the shortest distance - one trip - one way only
5. Hotel expense incurred during the move not to exceed \$75.00, limited to one night. (documented by actual invoice which indicates a zero balance or paid in full.)
6. Meal expense incurred during the move not to exceed \$30.00 per day, limited to two days. (documented by actual meal receipts.)

No teacher may be reimbursed for moving expenses on more than one (1) occasion. Two or more teachers who have the same initial address and are moving to the same anticipated address are considered one household, and therefore only one teacher may claim moving expense reimbursement, not to exceed the \$1,000 maximum allowable reimbursement.
