Chapter 94: Vocational Revenues

Rule 94.1 Local Reimbursable Expense Items. The Office of Career and Technical Education shall reimburse local public secondary and community/junior college school districts and certain state institutions for specific approved equipment, supplies, and other expenses necessary for the provisions of career and technical education.

1. Equipment
   a. CTE Funds
      Local program equipment necessary for the operation of a CTE complex/program may be considered as a 100% reimbursable expense.

   b. Other Special Funds
      Equipment necessary for the conduct of Special approved instructional programs may be 100% reimbursed subject to the approved project funding limitations.

2. Supplies
   a. CTE Funds
      The Office of Career and Technical Education shall not reimburse supply expenses for programs approved for reimbursement with CTE funds. Exceptions to this may be negotiated on guidance programs, CTE programs funded from 85% Carl Perkins I II, Student Services, Tech Prep, some excessive cost programs where services are rendered to the Office of Career and Technical Education, and some special projects.

   b. State Industrial Projects Funds
      The cost of supplies not provided by the local educational agency or the industry may be negotiated with the Office of Career and Technical Education for reimbursement when providing industrial start-up training programs, and is included in the project.

   c. Other Special Funds
      The necessary supply cost for Special Fund programs are considered as a reimbursable expense and may be included in the project.

3. Other Expenses
   Special Project funded programs may have other costs in an approved program in addition to the preceding list of items if these are necessary to the project. Eighty-five percent (85%) Carl Perkins III, Student Services, and Tech Prep funded projects may have limited other costs in an approved program in addition to the preceding list of items if those are excess cost items not provided to other vocational programs by the local educational agency.

Rule 94.3 Local Reimbursable Expense Items – Travel. The Office of Career and Technical Education shall reimburse local public secondary and community/junior college school districts and certain state institutions for specific approved travel expenses necessary for the provisions of career and technical education.

1. Local Travel
   a. Vocational Project Funds & 85% Funds
      Travel reimbursement for career-technical education (CTE) personnel funded by CTE project funds may be reimbursed for local travel not to exceed the state set mileage rate, provided this expense is approved in the project.

   b. Other Special Funds
      Special project personnel approved and funded by funds administered by the Office of Career and Technical Education may be reimbursed for official travel from the special funds not to exceed the state's maximum rates and the project approved amount.

2. Conference Travel
   a. CTE Funds
      Conference travel/subsistence expenses may be reimbursed by the Office of Career and Technical Education directly to the approved local CTE personnel or the local education agency and to others who render a service to CTE education by serving on committees, councils, etc. All expenses shall be approved and authorized in advance by the CTE Office.

      Expenses approved for reimbursement may be limited to less than Mississippi Code of 1972 Annotated 25-3-41, but cannot be for more than allowed under this code.

   b. Adult/Other Special Funds
Conference travel for special training workshops, etc., may be written into the individual projects for CTE funds. Prior written approval is to be requested for out-of-state travel. Approval or disapproval will be given by the CTE Office.

Rule 94.4 Maintenance of Local Effort. The State Board of Education shall not allow any payment to be made to any local educational agency unless the State Board finds the following to exist:

1. In the case of a local educational agency, the combined fiscal effort per student, or the aggregate expenditures of that agency with respect to the provisions of career and technical education for the fiscal year preceding the fiscal year for which the determination is made, shall not be less than such combined fiscal effort per student or the aggregate expenditures for that purpose for the second preceding fiscal year.

2. The Maintenance of Effort for secondary school programs will be collected through the Annual Financial Report submitted to the Mississippi Department of Education. The Office shall notify the local educational agency of its approval or of any noted discrepancies. If any noted discrepancies are not alleviated, funds shall be withheld on the basis of failure to provide/prove maintenance of effort.

3. Postsecondary institutions shall file a Maintenance of Effort of Expenditure Form with the Office of Career and Technical education on or before November 15 of each year. The Office shall notify the local educational agency of its approval or of any noted discrepancies. If any noted discrepancies are alleviated, funds shall be withheld on the basis of failure to provide/prove maintenance of effort.

4. Programs funded with non-plan funds are not required to file a Maintenance of Effort Expenditure form with the Office of Career and Technical Education.
