Meal Pattern Changes

Added Sugars

Limits on added sugar will use a phased approach.

- Phase 1: Limits on specific high-sugar products (cereals, yogurt, and flavored milk)
 - Implemented by school year 2025-2026 (beginning July 1, 2025)
- Phase 2: Overall weekly limits.
 - Weekly dietary limits to be implemented by school year 2027-2028 (beginning July 1, 2027)
 - <10% weekly calories from added sugars

Limits on added sugar will use a phased approach.
