West Bolivar Consolidated School District  
Mr. Melvin Cook, Interim Superintendent  
P.O. Box 189  
Rosedale, Mississippi 38769

Dear Mr. Cook:

The State Agency (SA) completed an Administrative Review (AR) of the National School Lunch Program (NSLP), School Breakfast Program (SBP), and Fresh Fruit and Vegetable Program (FFVP) during the week of January 29, 2024. An exit conference was conducted on February 8, 2024. The SA is pleased to report that over the course of the Review, **no findings were identified**. We are closing the district's file for this review period. No response is necessary.

Ms. Armstrong and her staff are to be commended for their excellent operation of the Child Nutrition Programs. The reviewer was especially impressed with the cleanliness of the kitchens and storage areas, the staff's obvious commitment to customer service, the detail with which production records are kept, and the outstanding implementation of Offer Versus Serve (OVS). All required documents were readily available for review and the staff was welcoming and kind, which made time spent in the district a very pleasant experience.

If you have any questions regarding this review, or would like to request additional assistance, please email me at [csalley@mdek12.org](mailto:csalley@mdek12.org) or call Charles Crawford or me at (601) 576-5000.

Sincerely,

Chris Salley, Program Specialist  
Office of Child Nutrition, School Support Division
