VISION

To create a world-class educational system that gives students the knowledge and skills to be successful in college and the workforce, and to flourish as parents and citizens

MISSION

To provide leadership through the development of policy and accountability systems so that all students are prepared to compete in the global community

- 1. All Students Proficient and Showing Growth in All Assessed Areas**
- 2. Every Student Graduates from High School and is Ready for College and Career**
- 3. Every Child Has Access to a High-Quality Early Childhood Program**
- 4. Every School Has Effective Teachers and Leaders**
- 5. Every Community Effectively Uses a World-Class Data System to Improve Student Outcomes**
- 6. Every School and District is Rated “C” or Higher**

Mississippi Instructional Resource Center (MIRC)

- MIRC is a statewide resource center designed as a repository to assist Mississippi's visually impaired students with specialized textbooks and materials.
- MIRC was established through House Bill 638 in 2008 and is located on the campus of the Mississippi School for the Blind.

NIMAC vs. NIMAS

- National Instructional Materials Instructional Resource Center (NIMAC)
- National Instructional Materials Accessibility Standard (NIMAS)

Accessibility

- Time, time, time is of the essence!
 - Braille Textbooks = 4 to 9 months, +\$25K
 - Large Print Textbooks = 1 to 3 months, \$500-\$1200
- Any delays in the submission of NIMAS files to NIMAC must not exceed 30 days beyond release of the regular textbook, and all delays must be explained in writing to the MDE. (pg. 12 of the Call for Bids)

Miss. Code Ann. § 37-23-199 (2016)

(1) All textbook publishers that sell textbooks published after December 2008 to school districts within the state must furnish the State Department of Education with computer files for literary and nonliterary subjects in the National Instructional Media Access Standard (NIMAS) from which Braille, audio and large print versions of the textbooks can be produced. The publishers also shall furnish the department with NIMAS files, American Standard Code for Information Interchange (ASCII) or other electronically formatted files compatible with Braille conversion for all adopted textbooks and supplementary materials, in both literary and nonliterary subjects, including natural sciences, computer science, mathematics and music, published after December 2008. All books purchased must have appropriate accompanying reproduction files.

Textbook Bids

- Publishers must list the textbooks/instructional materials they are offering for adoption in response to the “Call For Bids” for the Annual Textbook Adoption for the State of Mississippi .
- Pages 5-9 of the Call for Bids outlines the guidelines for the submission of a bid.
- The bids must be submitted in three (3) parts that comprise the Official Bid Packet.
- The Official Bid Packet can be found online as an Excel File that is sometimes referred to as the “Bid Packet” or “Bid Forms”.

Textbook Adoption and Procurement

The Office of Textbooks coordinates textbook adoption, distribution, care and use in Mississippi's schools, both public and non-public. The Textbook Office supports the Textbook Inventory Management System (TIMS). Textbook procurement for state accredited, non-public schools is facilitated through the Textbook Office. The surplus book program is also operated through the Textbook Office.

General TIMS questions can be directed to crspears@mdek12.org or 601-984-8273. Technical/security questions can be directed to mdeapps@mde.k12.ms.us or 601-359-3959.

All Pricing Options are “Contract Prices”

- The State adopts textbook programs or “titles”, not “pricing options”. Thus all pricing options are “contract prices”
- Contract Language: “...Company/Publisher must agree that any and all pricing options, combination of books and resources, consumable work texts, web-based resources, digital licenses, and/or other iterations or versions of textbooks/instructional programs selected for adoption shall be included in the state contract pricing for the textbook/instructional program.” (pg.12-Call for Bids)
- Pricing options form is part of the state adoption contract.

All Pricing Options are “Contract Prices”

- The State adoption contract is 5 years with 2 one-year optional extensions-solely at the discretion of the Department of Education.
- Be sure that any price set is a price that will be acceptable for the next 5 to 7 years (the duration of the contract). By statute, the prices cannot be adjusted up (MS Code 37-43-21(6)).

Important Dates

- Deadline to submit Bid Packets – December 1, 2020.
- Deadline for Examination Copies* – December 7, 2020.

***Note: Includes the 1 examination copy sent to the textbook office, 9 examination copies for the review committees and the 14 sample copies for display at university libraries to be sent to the School Book Supply Company of Mississippi.
