(Has cleared the Administrative Procedures Act process without public comment)

Background Information: On February 3, 2025, an Ad Hoc Committee of the Commission on Teacher and Administrator Education, Certification and Licensure and Development convened and recommended for approval the adoption of the following revised *Praxis Subject Assessments* and associated qualifying score:

Test Name	Recommended Qualifying Score
Early Childhood Education: Foundational Knowledge and Content (Test Code 5534)	157
Family and Consumer Sciences (5123)	144
Social Studies (5581)	147
Japanese: World Language (Test Code 5661)	144

The new versions of the *Praxis Subject Assessments* will replace the current versions and shall have an effective date of September 1, 2025. The current version of each assessment will be discontinued effective August 31, 2025. Adhering to the Mississippi State Board of Education's Discontinued Test Policy, Mississippi's qualifying passing score for the respective discontinued versions of

the assessments will be accepted through August 31, 2027, if that qualifying passing score was achieved on or prior to August 31, 2025.

In addition, the Division of Educator Licensure is requesting approval to establish a qualifying score for Praxis Subject Assessment: Japanese: World Language (Test Code 5661) and add Japanese: World Language (Endorsement Code TBD) to the list of approved supplemental endorsements that may be added to a valid three (3) year internship license or valid five (5) year standard license by obtaining a passing score on the appropriate Praxis Subject Assessment. The Japanese: World Language related item shall be effective upon receipt of final State Board of Education approval. Please note that the Licensure Commission has directed the MDE Division of Educator Licensure to monitor the performance of Mississippi test takers on the respective tests found herein, and when robust enough data are collected, reconvene an Ad Hoc Committee for review of such data to determine the need to make possible recommendations for score adjustments, as appropriate.

The final request is for approval to adopt and update the test code associated with the Foundations of Reading licensure assessment that is being **changed by the administering testing company, from test code 190 to test code 890**, for the purpose of offering certain supports to test takers that are not affiliated with the current state client test use license. There are no changes to the test content, and no changes will be made to the current Mississippi State Board of Education required passing score, at this time. Updates will be made to any official documents and other mediums where the Foundations of Reading Assessment licensure requirement is published.

On March 7, 2025, at its regular meeting, the Commission on Teacher and Administrator Education, Certification and Licensure and Development granted approval of the recommendations noted herein.

This item has cleared the Administrative Procedures Act process without receipt of public comments. The public comment period was open from April 17, 2025, through 5:00 p.m. May 23, 2025.
