05. Information: Presentation on AI for Instruction Pilot [Goals 5 – MBE Strategic Plan]

In fall 2025, OTSS launched an AI for Instruction pilot with Academic Education, CTE, and an external advisory committee, involving 50 educators from 19 schools statewide. The focus of the pilot is helping teachers use generative AI to plan and customize instruction. By next December, MDE will deliver a roadmap and a rubric districts can use to evaluate the effectiveness of future AI-for-instruction implementations.
