Please see the email below from Dr. Lance Evans that was shared with Superintendents earlier today.

Greetings Superintendents,

On January 14, 2025, MDE notified MSIS Coordinators that the agency was reviewing certain errors/warnings in the MSIS personnel data related to student-teacher ratios and provided interim guidance to address potential violations of **Process Standard 28** of the *Mississippi Public School Accountability Standards, 2024*. The email stated MDE would provide additional information today.

As promised, the MDE further reviewed the data and compared the personnel data results from MSIS 2.0 to that of the legacy MSIS. In addition, MDE reviewed state statutes, State Board Policies, accreditation standards, MSIS Course Code Search Portal, and the Approved Work Area Codes for Elementary and Secondary Schools of Mississippi. Based on these reviews, I will be asking the Commission on School Accreditation (CSA) and the State Board of Education (SBE) to suspend the personnel edit check process for the 2024-2025 school year for the following process standards:

Mississippi Public School Accountability Standards, 2024:

- **24 , 24.1, and 24.2** – Instructional Planning Time
- **25** – Individual Course Preps for Teachers Grades 9-12
