# Allowable School Year by File Type

**MSIS**

Every file upload requires a "School Year" column. To prevent data errors, MSIS restricts file uploads to specific, allowable school years to protect data integrity and prevent improper updates. Files uploaded with invalid school years will display as "Failed" on the Submission Status page and will include an error for improper school year.

**Use the list below to verify the allowable school years for each file type.**

## Current or Prior School Year

- AcademicRecord.GPA
- AssessmentReadiness
- CTE.Placement
- GoodCauseExemptions
- GraduationOptions
- SpecEd.Evaluation
- SpecEd.PartCtoB

## Prior School Year

- AcademicAward
- Finance.FETS
- Finance.BondData
- SummerActivity
- SpecEd.PostSecondary*
  *may be 2 prior years*

## Current School Year

- AcademicAward.Removal
- CourseSection.Removal
- FedProg.EnglishLearner
